January 19th

Trustees Present: Betty Strader, Ann Butler, Duncan McNeish, Paul Eldridge

Others Present: Erin Apostolos (library director), Matthew Gunby (head of circulation), Ron Lamarre (architectural consultant), Virginia Lovett

Meeting called to order at 1:00.

Building discussion with Ron Lamarre

Glass addition still displays original walls of building.

Room for 2,000 sq. feet of additional space if necessary in the future. Could build in such a way that no outside work was required later in the process.

3D Model in the process of being created.

500 square foot outdoor patio.

Weeks Library 9,000 square feet added, simpler design, \$3.2 million budget.

ADA compliant ramp: 5 ft. width. 1 to 12 ratio for rise.

Should have number priced for 2020 build date by February 15th.

Wood framing would create issues with raising building.
