All Meredith residents and property tax-payers are eligible for a free card as are all Inter-Lakes students and staff. Non-residents must pay a small fee of $10.00. **Library Transform Rod's Story**

Rod had bleeding in the brain that caused a Traumatic Brain Injury. His TBI ended the life he had known but with friends like Chris he is building a new one. In the past four years Rod has worked a lot on his recovery by constantly challenging his brain. He came to see Chris at the Meredith Library looking for help with his computer. The Technology Assistance Program provided by the library was just what he needed. Chris has the knowledge and patience that Rod needed.

A lot had changed since Rod used to work on PC’s and he needed a help to catch up. With a few one-on-one appointments with Chris, Rod is catching up quickly and enjoying working with PC’s all over again.

Rod is making new friends and is now building his first PC from scratch since his TBI. Libraries transform lives!

Hailed as the most suspenseful and compelling novel in decades, PRESUMED INNOCENT brings to life our worst nightmare: that of an ordinary citizen facing conviction for the most terrible of all crimes. It’s the stunning portrayal of one man’s all-too-human, all-consuming fatal attraction for a passionate woman who is not his wife, and the story of how his obsession puts everything he loves and values on trial--including his own life. It’s a book that lays bare a shocking world of betrayal and murder, as well as the hidden depths of the human heart. And it will hold you and haunt you...long after you have reached its shattering conclusion.

In this unwelcoming place, surrounded by inmates known as the worst of the worst, is Larry Newton. A convicted murderer with several escape attempts under his belt and a brilliantly agile mind on his shoulders, Larry was trying to break out of prison at the same time Laura was fighting to get her program started behind bars.

Shakespeare Saved My Life by Laura Bates

Feel free to bring your lunch. Beverages and dessert will be served. Pick up your copy at the front desk.

Shakespeare professor and prison volunteer Laura Bates thought she had seen it all. That is, until she decided to teach Shakespeare in a place the bard had never been before — supermax solitary confinement.

Friends of the Library
Thank you to the Book Sale Committee for organizing another very successful Book Sale! Thank you to our patrons who donated books, community members who purchased books, the Friends of Meredith Library for volunteering and the Boy Scouts for helping to move the books. The final figure for the three day event is $1397! That’s a lot of books! The proceeds from the Book sale support many events and activities at our Library. Our next book sale will be Valentine’s Day - February 14, 15 and 16, 2019.

Remember to come to our wonderful Once Read Bookstore by Hannaford. Many visitors found our unique shop this summer and were most impressed with the variety of fiction and non-fiction books. The shop is open Thursday and Friday from 10-2; Saturday from 10-3, and Sunday from 11-2.

The next meeting of the Friends will be on Wednesday, September 26 at 3:30 in the Community Room of the Library.
