V. New Business
   a. Meeting with Ken Jones, Chris Williams and Bill Edney -
      There are several adjustments that need to be made to bring the library safety up to new standards. The Childs room was originally designed for 25 children and one staff member. HVAC
One system is broken, one is very nearly broken, and one is working some of the time. This system will need work, which should be put in the 2012 Budget.

a. Energy Audit
An Energy Audit of the Library was passed out to all the Trustees.

b. CIP-Mason Work, painting, step/railing/front walk repair, sprinklers, balcony, window
